

New Jersey Franklin Armory

Facility and Location

Franklin Armory was an active armory west of Franklin township and New Brunswick. It is no longer used in that capacity. It is currently being leased to outside companies. There was never a range at the location.

Media Sampled and Findings

Drinking Water — In 2011, two of two samples detected perchlorate at 0.18 and 0.21 ppb.

Appropriate Actions

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
